

Pike Place Market Master Plan

DRAFT OUTLINE

NOVEMBER 30, 2023

Draft Outline

- The Master Plan outline embodies the work of Council and the consulting team from the last year
- It represents the elements that will be included in the final Master Plan and is representative of what Council can expect to receive mid-December.
- It will be more specific in all components, especially the action items listed for each strategy.

Questions to Consider

While reviewing the draft outline, does it:

1. Is the outline clear to you? Are there parts of the language or logic you didn't understand?
2. Overall, do the vision, goals and strategies outlined match your understanding of the discussions and decisions we've made as a council? Are there any key strategies or actions that you don't see included that you were expecting to see, based on our work as a group? Please be specific about anything you see missing.
3. Is the relative prioritization of commercial viability, community stewardship and historic preservation about right? If not, how would you change the balance?
4. From your review of this outline, what do you expect to be included in the first draft of the Master Plan, which we will receive for review in December?

Next Steps

- December 4: Councilmember feedback regarding outline due and will be forwarded to consulting team
- December 21:
 - HR&A to send first narrative draft of the Master Plan
 - At Council meeting, HR&A will provide an introduction to the document followed by a brief discussion on how to review and provide feedback
- First week of January (dates to be finalized): Master Plan meetups to solicit feedback from the community
- January 15: PDA to provide feedback to HR&A on first draft of Master Plan
- January 17: HR&A to attend Executive Committee to further discuss first draft
